RE: MUR 3774
Good Government Committee
and its treasurer

Dear Mr. Guy:

On August 1, 1995, the Commission found that there is reason to believe that your clients, the Good Government Committee and its treasurer ("GGC"), violated 2 U.S.C. §§ 433 and 434, provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action and closed the file as it pertains to your clients.

In a letter dated November 7, 1995, the GGC requested that the findings by the Commission be deleted or changed to find that no violation had occurred. On February 4, 1997, the Commission considered GGC's request and declined to vacate the reason to believe findings against them.

The file will be made public within 30 days after this matter has been closed with respect to all other respondents involved. You are advised that the confidentiality provisions of 2 U.S.C. § 437g(a)(12)(A) still apply with respect to all respondents still involved in this matter. If you have any questions, please contact me at (202) 219-3690.

Sincerely,

Dawn M. Odrowski
